

Inside-Out Training Institutes 2021

Due to COVID-19, The Inside-Out Center has revised the options for our 2021 Training Institute season. Our training sessions for all of 2021 will be held virtually. The challenges of meeting in person, accessing the inside of a correctional facility, and the possibility of quarantine requirements for travel make it difficult to utilize our normal training format at this time.

In August 2020, we conducted our first virtual training and it went very well. For half of the training, we met (via Zoom) with a group of formerly incarcerated men from the Philadelphia area, all of whom were Inside-Out alumni. Virtual trainings can be a positive choice for those who find the travel and time commitment of one of our regular trainings challenging. They also can provide opportunities for new initiatives, such as including guests via Zoom from throughout the Inside-Out network. Our capacity for a virtual training is 12 participants. If you are interested in attending a virtual training, please let us know ASAP so we can reserve you a spot.

**We look forward
to seeing you in 2021!**
